

## Low Profile Range

+44 (0) 1932 872348

sales@mobile-scissor-tables.co.uk

### Technical Features

- 3 Phase mains powered tables, 13amp isolator
- These tables achieve a low closed height, eliminating the need for pit installation
- All tables are manufactured to European standard – EN1570:2011
- Remote power pack mounted on pedestal, protected to IP 54  
Suitable for light, infrequent use
- Upper platform fitted with safety trip bar to prevent decent on detection of obstruction
- Check valve included for slow, controlled lowering in the event of a burst hose. The safety trip bar will still prevent the table from dropping altogether if it is still powered
- Removable lifting eyes to facilitate handling installation and inspection

Standard or U shaped design (Euro Pallet) for loading with a pallet truck)

## Technical Specification

“U” Shape Low Profile Table - 585mm gap for pallet truck access
